Tormore - Highland Single Malt Whisky 14 y Old - 43% | Single Cask WHISKY —

Vinification

Tormore 14 Year Old is produced in limited quantities from a few carefully selected American Oak casks and it perfectly showcases the signature style of Tormore Distillery Single Malt Whisky.

Taste

Tormore 14 Year Old is a light, fruity single malt with a smooth character. The smoothness derives from the purity of the water that is used during distillation. The nose is sweet with a hint of spice, followed by creamy toffee and vanilla undertones on the palate, which ultimately gives way to a long and subtle peppery finish.

General information

Type: Aperero & Digestif
