Clynelisch - Highland Single Malt Whisky 14 y Old - 46% WHISKY —

Taste

Clynelish whisky is closer to an Island style than other mainland malts, with a complex and fragrant nose and an agreeable, long finish that leaves a lingering fresh-fruity flavour. This 14-year-old is a less heavyweight whisky that's deliciously drinkable and makes it an excellent aperitif.

Yellow gold. Wax comes up with water-scented candle wax. Dried flowers on a beach. Pleasant creamy mouthfeel and maritime notes. Some saltiness and dryness in the slightly bitter finish.
