Belgin – Gin – Fresh Citrus – 38% GIN –

Domain

Belgin

Belgin is the brainchild of three Leuven friends who want to put Belgium on the map as a high-quality spirits country. In addition to the reference to Belgium in the name, their products also always contain a link to high-quality Belgian products.

Vinification

We start from a very soft grain distillate to which freshly peeled Amalfi, fresh lemongrass and verbena are added. The various herbs are then heated twice by the copper alembic to obtain a refined and refreshing citrus taste.

38% alc, 19 herbs

Taste

The most refreshing gin with Amalfi, lemongrass and verbena flavors. In total 19 different herbs are used to make this gin. Tonic: Fever Tree Elderflower or Fever Tree Indian Tonic. Garnish: Lemon zest or fresh lemongrass stick.
