Ehrhart - Pfohl Schlossberg G.C. | Alsace G.C. Riesling | BIO France (ALSACE) – 2019

Domain

Ehrhart

The vineyards of the Ehrhart André family are located in Wettolsheim province, situated between the castles of Eguisheim and Hohlandsbourg. One has an area of more than 10 hectares of 'Appellation d'Origine Contrôlée' including four hectares in 'Appellation Grands Crus'.

Vinification

The Schlossberg hillside extends at an altitude of 230 to 350 m over the migmatites of Kaysersberg and the intrusive granite of Thannenkirch, whose arenas constitute a terroir of excellent mineral fertility, coarse sandy and clayey at the same time. The richness and diversity of the minerals encountered (potassium, magnesium, fluorine, phosphorus) determine the finesse and multiplicity of the aromas of its wines. On a steep slope, the Grand Cru Schlossberg requires cultivation on a terrace.

Taste

Light yellow color. Aromas of lime, apple, peach and citrus in the nose. It is a dry wine with aromas of peach, pear, honey, citrus with a sharp, powerful finish.

Food pairing

Risotto | Asian salade with chicken | Sauerkraut

General information

Type: White wine

Grape varieties: Riesling (100%)
