# Château Angludet - MAGNUM | Margaux France (MARGAUX) – 2018

## Taste

It's wonderfully fragrant with touches of florality and beautiful ripeness to the brambly fruits. The palate has a lovely texture, where you feel the alcohol is generous but not overpowering. A ton of bright and sappy berry fruit. It's a brilliant wine, reminiscent of the excellent 2015 and possibly even better.

## Food pairing

Meat - red | Game | Spiced dishes | Cheese
