

Château Magneau blanc - Cuvée Julien | Graves France (GRAVES) – 2021

Domain

Ch. Magneau

Located in the town of La Brède in the center of the Graves region where it has been run by the Ardurats family for centuries. The domain is 40ha spread over the mountain ridges of La Brède and St. Morillon. 25ha is planted with white grape varieties. Since 1980, this château has a fully air-conditioned wine cellar of 1000m² equipped with stainless steel vats and two wine presses. In 1996 a new wine cellar was added with wooden casks. An independent organization "Terra Vitis" monitors and guarantees the quality of production with respect for the environment.

Food pairing
