Château Lancyre - D'ombre et de lumière | Coteaux du Languedoc | BIO France (LANGUEDOC) – 2022

Domain

Ch. de Lancyre

The Château de Lancyre vineyards are located in the south of France on an exceptional terroir of the Languedoc, the prestigious Pic Saint Loup appellation.

At the foot of the Pic St Loup, between the Cevennes and the Mont Ventoux, lies the Château de Lancyre. The castle was built in the sixteenth century on the ruins of a 12th century fortress. The castle and the 37 hectares of vineyards were bought by the Durand family in 1970. Renovation started immediately, and Syrah and Grenache vines were planted. Today, this domain consists of 128 hectares of AOC vineyards.

Vinification

Gentle pressing followed by settling then fermentation in 400-litre oak casks. Four months' maturation with regular stirring on oak casks.

Taste

Dress slightly golden. The nose opens on white flowers then on exotic fruit notes with a slightly vanilla background. The mouth is full, it is both fresh, greedy and with a very delicate woody. The length is remarkable.

Food pairing

Cheese - goat chees, lukewarm | Foie gras | Thai kitchen | Fish - swordfish
