Château Sainte-Marie rouge - Vieilles Vignes | Bordeaux Supérieur France (BORDEAUX) – 2022

Domain

Château Sainte-Marie

Château Sainte-Marie is located in the middle of the prime wine-growing Entre-deux-Mers area between the Dordogne and Garonne rivers. The ideally oriented plots stretch across two hills with perfect exposure to the sun on some of the highest land in the Gironde département. Old vines with controlled yields, including a plot of Semillon and Merlot over 100 years old, guarantee the excellence of an ever more qualitative production. The great diversity of the terroir gathered at Château Sainte-Marie is an essential characteristic that can be found in the typicity, authenticity and expression of the wines. The richness of their terroirs offers a selection worthy of the finest wines.
