Domain

Az. Guerrieri

In the rolling hills between the village of Fano and Senigallia, surrounded by vines and olive trees, lies the wine estate Guerrieri. Here three important principles are held in high esteem, namely modesty, respect for the land (nature) and solidarity. This domain is committed to intervening as little as possible in the vineyards, which cover an area of 70 hectares. The family's olive trees cover 30 hectares, in addition they manage 95 hectares on which they grow grain. The energy used is also green and they partly produce it themselves. For decades wine, oil and pasta have been made here with an unseen passion.

Vinification

Long maceration and controlled fermentation. The wine is aged for 10 months in French oak barrels and 6-8 months in bottle.

Taste

Intense ruby red wine with a persistent structure. It is elegant and complex with scents of violet, vanilla, cocoa, spices and menthol tobacco. Full and round in the mouth with a nice aftertaste. We recommend uncorking the wine at least 1 hour before serving.
