Nekeas - El Camino | Navarra DO Spain (NAVARRA) – 2022

Domain

Nekeas

Nekeas is a blend of history and modernity thanks to the initiative of a set of families deeply rooted in their land and a good management team, Francisco San Martín as founder and Chairman, Manuel Urricelqui as Technical Head-General Manager and Concha Vecino as Oenologist, all linked with the project from the outset.

Vinification

The vines grow between 450 - 600 meters. As a consequence the grapes reach optimal ripeness without losing too much acidity. This wine underwent a traditional vinification with 3 months of barrel ageing sur lattes.

Taste

This wine has a fine spicy nose with aromas of ripe berries. In the mouth very juicy, soft and very harmonious. Short maturation in oak barrels gives the wine an amazing finesse.

Food pairing

Paella | Cutlet from beef - BBQ | BBQ | Poultry

General information

Type: Red wine

Grape varieties: Syrah, Tempranillo, Grenache

Storage (years): + 3-5
